"Braslan San Jose"**

In presenting our 1950 contract price list, we are continuing our policy of offering a limited line of standard varieties of vegetable seeds in large demand, as well as devoting a constant effort in maintaining these sorts, and adding from time to time, new varieties and strains of proven merit.

To this end, we carry on extensive comparative trials and stock selection, as well as critical care in the rogueing of all crops, to maintain a high standard of quality, and with each year we are drawing upon the experience of many years in the production of dependable Garden Seeds.

With this we gratefully acknowledge the years of patronage and confidence of our many friends in the seed trade.

Respectfully,

**BRASLAN SEED GROWERS
